Our Commitment To Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on our homepage and at every point where personally identifiable information may be requested.

The Information We Collect:

This notice applies to all information collected or submitted on the Richfield Soccer Club (RSC) website. On some pages, you can fill out Registration Forms. The types of personal information collected at these pages are:

- Names
- Address
- Email addresses
- Phone numbers

The Way We Use Information:

We use the information you provide about yourself and your players when registering to complete the registration process. We do not share this information with any outside parties other than what is required to complete your registration with the Kettle Moraine Soccer League (KMSL).

We use return email addresses to answer the email we receive and to send important announcements specifically regarding RSC events. Such addresses are not used for any other purpose and are not shared with outside parties.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Our Commitment To Children's Privacy:

Protecting the privacy of the very young is especially important. Given the nature of our Club, it is unavoidable that we collect and maintain information on our website about those we actually know are under 13 years of age. RSC does offer a community Registration Event where parents may complete the registration process without using an on-line form. The date for this event can be found on our Calendar.
